CHECKLIST

Fitting a Desk into a Shared Room

- [ ] Identify the corner or alcove where the desk will sit
- [ ] Place the desk with its back or side against a wall
- [ ] Mount a shelf or cupboard on the wall above the desk for daily items
- [ ] Use a rug or different paint colour to mark the work zone
- [ ] Add a task lamp that focuses light on the desk surface
- [ ] Choose closed storage to hide work materials when the desk is not in use
- [ ] Leave a clear path between the desk and the door
